With the conversion of the school which was originally intended for Muslim girls, into a general one for girls of all communities with effect from June 1948 (Vide Government Memo.No.12886-B1/48-4 Education dated 19-5-48), the school has been gaining in popularity and strength. The strength is expected to increase still furhher in the coming years. The school with Forms I to III was started in June 1943 and Forms IV to VI were opened in the school in the subsequent years. Vide G.O.Ms.No.654 Education dated 8-5-43 and G.O. Ms.No.687 Education dated 3-5-44. The School has thus been in existence for more than seven years and has now established itself.

current school year. All the posts mentioned above are quite necessary for the school, I therefore request that Government may kindly sanction the permanent retention with effect from 1-8-51 of all the above posts excepting that of the combined Drawing and Sewing Mistress. Sanction may be accorded for the continuance during the school year 1951-52 of the post of the combined Drawing and Sewing Mistress and also that of the Music Mistress, sanctioned in para 2 of G.O.Ms.No.154 Education dated 1-5-49.

4. The question of permanent retention of the post of the combined Drawing and Sewing Mistress will be taken up after a final decision is arrived at on the question of continuance of specialist teachers in Secondary Schools, under the reorganised scheme of Secondary Education.

Yours faithfully,
